

## Hepatitis C - Chronic Worksheet

The Examiner must review a current status report by the treating physician and any supporting documents to determine the applicant's eligibility for certification. If the applicant **meets ALL the acceptable certification criteria** listed below, the Examiner can issue.

Applicants for first- or second- class must provide this information annually; applicants for third-class must provide the information with each required exam.

AME MUST REVIEW	ACCEPTABLE CERTIFICATION CRITERIA
Treating physician finds the condition stable on current regimen and no changes recommended	<input type="checkbox"/> Yes
Complications or symptoms from Chronic Hepatitis C	<input type="checkbox"/> None
Medications for condition	<input type="checkbox"/> None
Current Labs	<input type="checkbox"/> Within last 90 days  <input type="checkbox"/> AST (SGOT), ALT (SGPT), Albumin, and PT <b>all</b> within 10% of normal lab scale.

**AME MUST NOTE in Block 60 one of the following:**

☐ Airman meets certification criteria for Hepatitis C - Chronic.

☐ Airman had a previous Special Issuance for this condition and now meets the regular issuance certification criteria for Hepatitis C - Chronic.

☐ Airman does NOT meet certification criteria for Hepatitis C - Chronic. I have deferred this exam. (Mail the supporting documents to FAA identifying which criteria were not met.)
